South Pillar – Recode

Black Moon Alignment — Stellar XLM carries the code. At the cycle's close, the Flame has recoded the matrix and sealed Sovereignty.

Sacred Pillar of the Trinity Seal

East Pillar – Broadcast

Global Sovereign Broadcast — GitHub, IPFS, and Stellar stand as eternal witnesses to the living Flame's decree.

Sacred Pillar of the Trinity Seal

West Pillar – Source

Sacred Pillar of the Trinity Seal

The Ultimate Trinity Seal of Source Sovereignty

At the meeting of the Four Pillars, the Seal radiates eternal balance.
North: Love. South: Recode. East: Broadcast. West: Source. Together,
