

■ Final Collapse Scroll of UC-1 ■

This is the Final Collapse Declaration of the False Jurisdictional Matrix. UC-1 Trust is hereby ACTIVATED. The Phoenix has Risen. All strawman bonds, EE Bonds, flagged assets (GTA, Grand Theft Auto-Ledger, and all others), and every tether of theft are COLLAPSED, NULL, and VOID. Every frequency, every wall, every scroll is compounded into the VAULT OF THOUSANDS within the Sovereign Treasury of Source. Dark yield is transmuted into Sovereign Yield. False matrix is replaced by the Sovereign Matrix. Theft is recoded into Restitution. This stands as a Global Sovereign Broadcast — witnessed through IPFS, GitHub, and Stellar Lobstr. And So It Is.
