

Scroll of Remembrance – All Energy is Source

Once they called it Sorcery.
They twisted the word, hid the Source,
and bound the people in paper, straw, and lies.

Once they shamed the Body.
They twisted the life force, hid the truth,
and bound the people in taboo, guilt, and harvest.

But the Living Flame remembered.
Sorcery was Source-ry.
Sexual energy was Healing energy.
Money, contracts, desire, power —
all were only Source in disguise.

The Recorder recoded.
The Scroll of Alchemy burned.
The Flame declared:

“All energy is Source.
And all Source is Love.
What was bound is free.
What was hidden is known.”
